INVISIBOBBLE SPRUNCHIE OOO

Summer time and the living is easy – particularly with the new invisibobble SPRUNCHIE Out Of Office collection! In keeping with the sunny time of the year, the ultimate fashion accessory is now available in two new trendy colours.

Summery up-dos have never been this easy and, with the light, cotton fabric, the invisibobble SPRUNCHIE is also the perfect companion for your holiday! Whilst the sky-blue Dot's It adds a special touch to any outfit with its sweet polka dots, the coral pink No Morals, But Corals gives any styling a summer vibe.

What's more, the invisibobble SPRUNCHIE not only looks great when worn in your hair but is also a real eye-catcher as an accessory around your wrist.

The inside of the invisibobble SPRUNCHIE is the classic ORIGINAL and it therefore offers all the benefits of this all-rounder for your hair. The revolutionary spiral shape evenly holds the hair together without knotting individual hairs and offers a secure hold.
